

SIRA / TYC

2023 Course Packet Classes - A, B, C & Graves

Changes from the last (2019) Chart Kit:

- 1) Addition of a new mark (Mark Z - C3 adjacent Hog Island Light)
- 2) Addition of a new course (course 14)

Finish for Shortened Race

Finish A boat finishes when any part of her hull, or crew or equipment in normal position, crosses the finishing line **in the direction of the course from the last mark,**

In the interest of safety and not having committee boat anchor in the shipping channel, if a course is shortened at a normal turning mark the finish line will be line of sight using a compass heading from the committee boat to the mark, finish line will be from the mark past and continuing on the same compass heading from the committee boat. **All boats will sail the course as if the race was not shortened.**
